Saratoga Springs Planned Parenthood and the Racing Community

Proceeds from The Race for Choice go directly to women's reproductive services at the A.C. Riley Saratoga Springs Planned Parenthood. During the racing season, backstretch and other track workers are daily visitors at Saratoga Springs Planned Parenthood. **A significant percentage of women associated with the backstretch seek help each summer.** Many have such respect for the care they receive that they schedule their annual reproductive health exams while in Saratoga Springs. The Center's reputation has spread as a place that accommodates the demands of track hours, arranges for interpreter services, and provides affordable health care regardless of insurance coverage or ability to pay. Services range from routine reproductive health care, prenatal care, infection treatment, pregnancy testing, and emergency contraception.

Saratoga Springs Planned Parenthood is a part of Planned Parenthood Mohawk Hudson, Inc. with 13 health centers in 12 counties in northeastern New York and the Mohawk Valley. For further information about Planned Parenthood or The Race for Choice, please call Karim Becker at (518) 374-5353, ext. 236 or email k.becker@ppmhchoices.org.
